NUMBER 44

PLANS NOW READY FOR FREE COOKING SCHOOL HERE FRI.

Miss Loretta Gray, Noted
Dietitian, Coming to
Antioch

TWO SESSIONS—
2:00 AND 7:30 P. M.

Plans for the big free cooking school to be held tomorrow in the Antioch high school are complete to the last detail, according to Ray Eddy, local dealer for the Roy Fancher Company, Evanston, distributors of Pyrofax gas and Magic Chef gas ranges.

A number of local merchants have co-operated in bringing Miss Loretta Gray, New York dietitian and domestic science specialist, here tomorrow to conduct the two sessions of the school which are to be held at 2:00 o'clock in the afternoon and at 7:30 in the evening. The public is invited to attend.

Miss Gray, graduate dietitian, will present the numerous advances made by science in the culinary art. Miss Gray will also include in her recipe lectures upon the curative and preventative diets, and their relations to the subject of correct preparations of food.

To illustrate what can be done by today's housewife when possessing efficient devices to lighten her daily labor, there will be a display of the very latest in kitchen equipment and utensils. Equipment for the kitchen, including refrigerator, ranges, and many other labor-saving devices and material used, will be loaned by a number of local merchants who are co-operating with the Kempel Hardware Company in securing the services of Miss Gray. Besides giving the visiting home-managers a chance to view the latest in kitchen equipment, they will be given an opportunity to learn many things pertaining to the preparation and serving of food. Recipe leaflets, or booklets, will be given away at each session. The audience is urged to ask questions regarding the preparation of food and the correct methods in preparation of diets, which Miss Gray will be pleased to discuss.

Mr. Eddy and the Roy Fancher Co., sponsors of the school, feel fortunate in having been able to secure the services of such a capable and interesting personality as Miss Gray. According to all reports received from the many states where Miss Gray has conducted similar cooking schools, she has been successful with her program in holding the keenest interest and undivided attention of her audience.

Magic Range Given Away
Here is the prize list and the names of Antioch merchants who have co-operated in making the cooking school possible:

Powles Food Store, furnishes the meats and also will give a five-pound beef roast as a prize; Soukup Hardware, bread board and knife, flour sifter, double boiler; Gamble Store Agency, set of mixing bowls; Reeves' Drug Store, \$5.00 kitchen clock; Antioch Fruit Market, basket of produce; Marianne's Dress Shop, a pocketbook; Scott's Dairy, three pounds of butter; Feinstein Furniture Company, kitchen step ladder; Williams Bros., refrigerator vegetable pan; National Tea Co., basket of groceries.

Prizes will be given away at each session, and not the least of these will be a new Magic Chef gas range, supplied by the Roy Fancher Co., Ray Eddy, and the Home Gas Equipment Co. The stove and cabinet is now on display at the News office.

Be sure to attend the first cooking school ever held in Antioch—tomorrow at two and seven-thirty at the high school.

Pollock Speaks at Garden Club

S. E. Pollock, local greenhouse owner, addressed the members of the West Side Garden Club in Waukegan yesterday afternoon at their regular bi-weekly meeting. About thirty-five members of the Club were present.

Mr. Pollock spoke on the subject of flowers in general and on the arrangement of flowers in particular.

Antioch College Men Win Judging Honors

At the All University Judging contest held annually for students of the College of Agriculture at Urbana, Ill., Ward Edwards, a former agriculture student at the Antioch high school, won second place in all-around grain judging.

In the judging of Jersey cattle, Robert Hughes, another former Antioch student, placed first. In all-around cattle judging Hughes placed third.

Both were outstanding judges while on the High School judging team according to their former teacher, C. L. Kuttel.

Robert Buish Passes Away At H. F. Beebe Home

Hold Services in Odebolt,
Iowa; Beebes Return
Last Week

Funeral services for Robert Buish, who passed away at the home of his relatives, Dr. and Mrs. H. F. Beebe June 4, were held last Wednesday at Odebolt, Iowa.

Buish, who had made his home with the Beebes since the death of his wife January 11, 1930, had not been in good health for some time past, but had appeared as usual until the night of his death which occurred suddenly. The body was taken to Odebolt, accompanied by Dr. and Mrs. Beebe, and interment was made in the Odebolt cemetery.

Born in England
Mr. Buish was born in Cheltenham, England, January 29, 1855. He came to the United States in 1872 when 17 years of age, and moved to a farm in Wheeler township near Odebolt, Iowa, in 1879 and resided there for 31 years.

He was united in marriage to Miss Florence Wood, April 9, 1887. They moved to Odebolt from the farm in 1910, residing in a cottage which Mr. Buish still owned at the time of his death.

He was a man of highest integrity, a member of the Odebolt Presbyterian church, and respected by his many friends. During the past four years while he made his home with the Beebes he has received the best of care and medical attention. He is survived by one brother, John Buish of Armour, South Dakota.

Open Drought Relief Program In County

A program to relieve farmers in the drought stricken areas in the state through the use of a \$500,000 grant from the federal emergency relief commission was begun this week. The fund will be used this month in the 31 counties recently designated as secondary drought areas. These counties, including Lake, will receive seed, feed, and wages for impoverished farmers.

A special fund will be set aside for loans to farmers who have commercial herds and need the loans more than other forms of relief.

In many instances herds have been turned out public highways and railroads' right of way. Railroads, for the first time in 40 years, are permitting stock grazing if herds are well attended.

Meanwhile entomologists at the university of Illinois said chinch bugs are leaving small grain fields and moving in on Illinois corn, a \$120,000,000 crop. Plans for the use of federal funds to attack the pest with creosote were speeded.

Recover Body of Youth Drowned in Sullivan Lake

The body of Oscar Peterson, 26, Chicago, who was drowned last night in Sullivan Lake near Volo, Ill., when the boat in which he and two companions were riding capsized, was recovered about 2:30 this morning.

A verdict of accidental drowning when the boat in which he was riding was capsized was returned this morning by the coroner's jury at the inquest held at Strang's Undertaking Parlor.

Funeral services will be held Saturday in Chicago.

Rivals To Grapple For County Mat Title

Jim McMillen to Meet Lou
Plummer in Round
Lake Arena

Jim McMillen of Antioch and Lou Plummer of Waukegan will wrestle for the championship of Lake County on the main event of the first all-star heavyweight wrestling card to be presented at Renehan's new open-air arena at Round Lake, Friday evening, June 29.

The bout, which was closed by Matchmaker White today after several weeks of negotiation, will climax a dispute between the two local rivals for the county mat title that started some five years ago.

Plummer stated that for the past five years he had been trying to force McMillen into a ring with him, and when White suggested that the pair be brought together to start the wrestling season at Round Lake, Plummer told him that he would never be able to get McMillen's consent to the match.

Says Jim Avoided Match
For proof of his statement, Plummer points to the time he was matched with Jim at Libertyville but McMillen ran out on him to wrestle some other opponent in New York.

McMillen is quoted as saying he would wrestle anyone promoter Behning or White selected for the Round Lake card providing his opponent would not be Plummer. McMillen said Lou was too rough to risk meeting as he might sustain injuries that would keep him out of the game for many months due to the fouling Plummer would try throughout the match.

"Can't Take It," Plummer Says
To top off the quarrelling and challenging, Plummer made a statement to the press Wednesday that McMillen can't take it. This stirred the Antioch star into action, and he accepted the match.

Upon accepting the match, Jim demanded of Behning the privilege of naming the third man in the ring. McMillen said: "Because of the reputation Plummer has gained in the mat world for his slugging, butting, kicking, and other unethical manners, I am taking no chances of being permanently disabled because of a referee who might favor my unruly opponent."

Behning stated that he could not leave the advantage of naming the referee to McMillen, but would select an official of the Illinois Athletic Commission who would be suitable to both men.

90 Minutes to a Finish
The main event will be one fall to a finish with a ninety minute time limit, while the preliminaries will have a thirty minute time limit on each.

Matchmaker White will start at once to obtain several of the top-notch grapplers to make up the three additional matches to complete the program.

As the mat fans of this community have been waiting five years to see this great championship contest, a sell-out is predicted. In consideration of the many local fans who are planning to attend, Promoter "Peggy" Behning placed the tickets on sale Wednesday, giving them the opportunity of securing the choice seats.

Local Girl Gets Nurse's Certificate From Loyola Univ.

Miss Irene Sheehan, daughter of Mr. and Mrs. Herbert Sheehan of Loon Lake, received her certificate of graduate nurse from the School of Nursing, Loyola University, at the 64th annual commencement held yesterday evening in the Loyola stadium at Loyola avenue and Sheridan Road, Chicago. She is one of 657 who received degrees and certificates.

The principal commencement address was delivered by the Rev. Peter Guilday, Ph. D., of the Catholic University of America, Washington, D. C. Miss Sheehan was graduated from the Antioch Township High School in 1926, and taught for a time before entering nurse's training.

Dr. and Mrs. H. F. Beebe returned last Thursday evening from Odebolt, Iowa, where they attended the funeral services of Robert Buish who has made his home with them for several years. While in Iowa, they were guests of Mr. and Mrs. Niles Neville.

SEVERAL CASES OF MEASLES AND MUMPS REPORTED

Five cases of measles and several cases of mumps among village children have been reported, according to Dr. H. F. Beebe, village health officer.

Because of the peculiar nature of measles, an epidemic is difficult to prevent as the disease is most contagious during the early stages before a rash is evident, Dr. Beebe said. It is also a dangerous and often fatal disease, particularly if complications such as pneumonia develop. There were seven thousand deaths originating with measles in the State of Illinois last year.

Thus far, no deaths from measles have occurred in Antioch, and to prevent such a happening, Dr. Beebe urges that all cases be reported immediately and quarantine notices be strictly observed.

Arthur Wilton Passes Away In Chicago Hospital

Spent Most of His Life in
This Vicinity as Mail
Carrier and Farmer

Arthur Wesley Wilton, well-known Antioch resident who has spent the greater part of his life in this vicinity, passed away at the Jefferson Park Hospital in Chicago Friday, June 8, following an operation on the preceding day.

Funeral services were held Tuesday afternoon at the Methodist Church, with the Rev. L. V. Sittler officiating. Duets were sung by Mrs. H. B. Gaston and Miss Cornelia Roberts. Interment was in the Hillside Cemetery.

Wilton was born at Fox Lake, Ill., May 29, 1872, the son of Thomas and Elizabeth Wilton. At the age of twelve years he came with his parents to Antioch, where he has spent most of his life.

He was united in marriage to Miss Clara Stein January 5, 1914. Two daughters, Vallere and Ellen May were born to them.

For a number of years he served as a rural mail carrier, but ill health forced him to change his occupation, and for a time he engaged in farming.

For about ten years he was employed at the Nash Company, Kenosha, where he moved after leaving the farm. Upon returning to Antioch, he resumed farming until about four years ago, when he moved into the village to his Lake street home, and became employed in distributing McNeas products. He was engaged at this occupation until his recent illness.

Surviving him are his wife and two daughters: a daughter by a former marriage, Mrs. Velma Jackson of Buffalo, New York; one brother Richard of Lake Villa. He was preceded in death by two brothers and one sister.

We'll Bite--Where And Why Does It Go?

May revenues to the state were as follows:

Sales tax	\$2,937,074.90
Liquor tax	423,529.73
Property tax	1,176,127.59
Inheritance tax	329,900.19
Ins. & Corporation taxes	1,124,648.90
Motor Fuel tax	1,883,303.36
Motor Vehicle tax	1,207,847.74
Interest earned	40,058.30
Federal aid	781,969.71
Trust funds	231,990.52
Miscellaneous	972,821.61
Total	\$11,163,772.60

At this rate the state will take from its citizens much more than \$100,000,000 this year in various kinds of taxes. Where does it all go?

FAMILY NOTE

James Levy of Chicago, brother of Gov. Henry Horner, has sold to the state of Illinois, up to the middle of April, the following:

Autos and trucks	\$133,811.66
Mechanical ice boxes	4,115.16
Road Maintenance machinery	1,705.00
Total	\$139,631.82

Some of these sales were made without bids. It is reported that Levy's business with Horner has increased in the last 30 days.

Plan To Obtain Uniforms For The Legion Firing Squad

Membership Drive Goes
Over the Top; Surpasses
Former High Record

The Antioch American Legion post, justly proud of maintaining the only firing squad in Lake County, is making plans to obtain uniforms and steel helmets for the members of the squad, according to L. J. Zimmerman, service officer.

It is felt that a uniformed firing squad will do much toward favorably advertising Antioch, inasmuch as the squad often is requested to appear at various county functions. The project will be accomplished with the support of the Antioch business men who are being asked for small contributions.

Three to Get Stars

In recognition of their efforts in advancing the recently conducted membership drive, Commander Walter Mills, Adjutant Laurel Powles and Membership Chairman Paul Chase will receive silver stars from national headquarters, for the 125 per cent membership total.

In addition, they will receive airplane wings for maintaining one hundred per cent membership at the close of the "airplane" drive. The membership now totals 90 persons, seven more than at the time of the former high record several years ago.

Body Of Howard Riggs Is Brought Here For Burial

Funeral services for Howard E. Riggs, at one time a resident of this vicinity, were conducted by Rev. L. V. Sittler at the M. E. Church Monday afternoon. The body was brought from LaFayette, Ind., where he passed away suddenly of a heart ailment last Friday. Services were held at the Trinity Church in LaFayette Sunday afternoon.

Riggs was known to this community through his marriage to Miss Florence Harden, sister of Frank Harden of Antioch, about thirty years ago. During his thirty-four years of service as chief train dispatcher for the Monon railroad, he spent a year as an agent at Trevor, Wis., and another year at Lake Villa. He was a member of the Masonic lodge.

At the time of his death he was 69 years of age. He is survived by his wife and two sons, Francis and Charles, and other relatives. Interment is in the Hillside Cemetery, Antioch.

Wife Of Lake Villa Principal Awarded \$1,000

Although Mrs. Dorothy Frye of Lake Villa, wife of the school principal, had been apprised some time ago of the fact that she was winner of \$1,000 in the Pabstett cheese national contest, public announcement of the winners was not made until this week.

Mrs. Frye and her husband both were graduated from Eastern State Teachers' College in Charleston, Ill. From the hundreds of thousands of contestants, representing almost every type of professional and income groups, 2,209 were named as winners. Other large prizes were awarded to residents representing every section of the United States.

Mrs. Frye plans to save the money.

Auxiliary Grateful for Co-operation

The American Legion Auxiliary extends thanks to the public for donations and co-operation given during the Poppy sale here May 26th. They appreciate especially the donation of collection boxes from King's Drug Store; the publicity given in the Antioch News; the judges of the poster contest—Messrs. Wobbi, Shultis and Petty; and the large number who bought poppies.

The committee also reports greater sales this year than since 1930, instead of the greatest sale ever held in Antioch, as was stated in the News May 31.

YOU CAN'T FOOL WITH GOD AND NATURE

Drouth Assists Democrats
in Destroying of
"Surpluses"

Killing hogs and destroying crops with millions in want and with no other purpose in mind than raising of prices is not a divine preaching, according to the Quincy Farmer-Labor Journal. It is well known that the administrations recognized that there was poverty and want in the midst of plenty. The Democratic "brain trust" cure for this situation was to destroy the plenty, thus raising prices to consumers unable to pay and to heap millions in taxes upon this and future generations. Smart fellows, "those brain trusters."

The Quincy Farmer-Labor Journal's comment on the situation is interesting. Says the Journal:

"The main agricultural problem was said to be surpluses, which never really existed, for with millions in need of these 'surpluses' and unable to get them there could be no surplus. The solution of the problem by the 'brain trusters' was the crop curtailment plan, whereby the government signed agreements with farmers stipulating how much of every kind of product they could produce. In return, the government paid them for the land taken out of cultivation."

"Now a greater power than legislation has taken a hand—and shown the nation what crop curtailment in the grand manner is. The power is Nature."

"The middle west is literally a desert. There hasn't been so disastrous a Spring in 40 years, and great agricultural states are as dry as the Sahara. The drought is trimming almost two million bushels of wheat a day from the official May first crop estimates."

"The drought was accompanied by a dust storm that picked up billions of pounds of top-soil, with its planted grain, and carried it way, to fall along the Atlantic seaboard as well as in the middle western cities. Some of it fell on the dome of the capitol in Washington. Some fell in Wall Street. Twelve million pounds fell in metropolitan Chicago, four pounds for every man, woman and child in the city."

"Federal farm officials are considering allowing farmers to plant acres that were retired; have advanced the date for signing wheat production control contracts. In many areas hit by the drought it will be impossible to raise any crops at all this year and government benefit payments will be the only source of income the farmers will have. Even abundant rainfall could not save the crops, so great has been the damage."

"As a result, the agricultural administration and 'brain trusters' have a new and grave problem on their hands—how to carry stricken farmers through a barren year."

City Briefs

Mrs. William Hattendorf is recuperating this week from minor injuries received Monday evening when the car in which she and her husband were riding collided with another car at the intersection of Grand Avenue and Route 59.

C. E. Hennings is installing new equipment for handling ice cream in his News Stand and Confectionery.

Miss Margaret Drom recently returned from Polo, Ill., where she teaches high school, to spend the summer vacation with her parents, Mr. and Mrs. Wallace Drom.

King's Drug Store is having its sign repainted. This is the largest electric sign in town.

Free Cooking School will occupy the attention of housewives in this locality tomorrow. There will be two sessions, beginning at 2:00 and 7:30 p. m., at the Antioch Township High School.

Today, June 14, is Flag Day. Not many flags made their appearance until near noon.

Charles Lix laid new flooring on the sidewalk in front of his Electric Shop today.

COURAGE

Clausius E. Wade,

Director, Chicago College of Commerce, Chicago

"A wise man feareth, and departeth from evil; but the fool rageth and is confident." Any man who will deliberately throw himself into a circumstance where the odds are against his coming out alive, is not a brave man; he is devoid of his quota of common sense.

As a whole, we have a very perverted idea of what constitutes courage. If some one calls us a vile name, the world says, "Hit him," courage says, "Be a man and consider the source." If your friends say, "Come on, it's all right," but you say, "No," that is courage. If a most vexatious circumstance arises, and you refuse to be angered, you are more courageous than a Bismark or a Napoleon.

Men can crash jails, they can ruthlessly kill the innocent, they can hurl bombs and shoot from the dark alleys, but there is not one that has the courage to walk up before the bar of justice, and confess his deed. The man who is wrong and knows he is wrong and will frankly and freely admit it, is as brave as a man can be. The man who can take it as he gave it without quibbling, is a brave man.

The man who dares to do what he ought to do when he ought to do it without fear or favor is all that the word courage can mean.

Thousands of farmers in the drought belt are beginning to wonder if the Roosevelt-Tugwell-Wallace combination didn't go a little too far in tempting the wrath of Providence by their crop reduction schemes.

AND THIS IS SUPPOSED TO BE

THE LAND OF THE FREE

Before we start, bear in mind that the Statue of Liberty still stands in the harbor and these are yet the United States, long presumed to constitute a republic guaranteeing various liberties of expression, opinion and action to its citizens.

Last fall the authorities at Washington put a code into effect as an emergency measure to last, as we remember it, until Jan. 1 of this year. Apparently that assertion was just to get the people used to being dictated to. Anyway, from time to time new codes were formed for the merchant, the manufacturer, hatcher, barbers, etc., until everyone and their aunt are under some code.

Some weeks ago a printers' code was put into effect after much wrangling. The code set the hours one

could work and the wages to be paid the employee. And believe it or not, the owner of a printing office was not permitted to work in his own plant only a certain number of hours per week. Think of an American citizen being told when he could or could not work in his own establishment—but that's the code.

This week we received what is termed a "Price Determination Schedule" from the code authorities. Like all such schedules, and everything else the various codes have done, it works a hardship on the little fellow. If a firm is big enough to order \$500 worth of printing, the schedule does not apply. In other words, if a big firm had a job of printing, they are enabled to go out and get bids and give it to the low bidder, but if a little merchant wants printing, the code sets the price the printer must charge. There is one paragraph in the schedule, however, which may be a help to our patrons. It states that in offices where there are not more than three platen presses, that 20 per cent off the schedule may be granted if the National Code Authority will grant it. We have made application for this reduction and if granted this privilege, our prices will be lower than in many offices.

Personally we do not like the code. We believe a man should be allowed to work as many hours in his own place of business as he desires. We believe we should be permitted to price our product as low as possible and still have a fair profit. We believe if the government must arrest someone for a violation, it has a vast amount of material in kidnapers, bootleggers, gunmen, etc., instead of threatening business men, who are law abiding and only trying to make an honest living.—Savbrook Gazette.

A few weeks ago we asked who might be behind the Prof. Felix Frankfurter Hot Dog brain trust that is behind President Roosevelt in the radical efforts to change the social system of the American people under the guise of recovery. The Quincy Farmer-Labor Journal answers: "Just a high wind, kids, just a very high wind."—The Illinois News Bureau.

A hitch-hiker with a quarter sheet cardboard sign on his back reading: "If you don't give me a ride I'll vote to re-elect Horner," is reported by the Troy Call. He stands with his back to the road and the motorists stop and ask him to get in. He is rarely passed up. One truck driver going into Pocahontas stopped and told the hiker that if he would wait until he went into town and unloaded he would come back and haul him to Greenville, where he had a friend who was going on even further.

A friend of ours remarked that the government's plan of recovery, contrasted with the matter-of-fact attitude of foreign nations, reminded him of two fishermen. One, the United States, spends billions on tackle, gear, bait, expert advice and a boat, only to find that the other, England, has made a better catch fishing off the dock with a bamboo pole. Which goes to show that the people are easier to kid than most fish.—The Quincy Labor-Journal.

day for a visit with Mr. and Mrs. John Sutcliffe.

Twin Lakes

Emmett Ford returned home from LaCrosse Normal, where he has been attending for the past two years, last Wednesday. He is majoring in physical education and history.

Mr. and Mrs. J. Edward Miller, Will Miller and Mrs. Alta Fuller attended a Century of Progress Exposition in Chicago Monday.

Mr. and Mrs. Wilbur Leak of Dixon, Ill., were guests of Mrs. Charles Ford and sons last Wednesday.

Mr. and Mrs. Paul Englehart and daughters of Chicago spent the week-end at their cottage.

Mr. and Mrs. Clifford Wittig, Chicago visited the latter's mother, Mrs. George Staedemeyer over the week-end.

Mr. and Mrs. Ernst Ehrman arrived Saturday to spend the summer at their cottage.

Leonard Ward and Ernest Oberhoffer returned last Wednesday from Whitewater, Wis., where they have been attending the Normal school.

Mr. and Mrs. Don Brady of Harvard, Ill., spent the week-end with the latter's mother, Mrs. Joseph Oberhoffer.

John Schippers, Jr., a student at the Kenosha High School, returned for the summer vacation Wednesday and is helping his father, John Schippers, Sr., in his bakery shop.

The Misses Catherine and Patricia Carey are spending this week with the Careys at Wilmet.

News Notes From Neighboring Towns

Former Palatine Editor Dies

Albert G. Smith, former publisher and owner of the Palatine Review, passed away at his home on Memorial Day after a lingering illness of two years' duration.

After retiring from the printing business, Mr. Smith was an employee of Marshall Field & Co., leaving them in 1929 to become village treasurer. He had always been active in public affairs, was a member of the Methodist church, Odd Fellows, Masonic Lodge, and Eastern Star. He was secretary of both the grade and high school boards for many years.—Barrington Review.

McHenry Mailcarrier Pensioned

Darwin I. Granger, well-known McHenry rural mail carrier, has received his honorable discharge from Uncle Sam and has been placed on the pension list, following 28 years of service in the post office department. Service in the Spanish-American war was also credited to Mr. Granger, making his eligibility well over the required 30 years. Civil service rules calls for 30 years of service or 65 years of age to be retired on a pension. Mr. Granger is the husband of

the former Miss Lola Toynton of Wauconda.—Wauconda Leader.

Ask Right-of-Way for Rt. 59

Right-of-way from the state department of highways, working out of the office of the district engineer at Elgin, on June 6, started the task of securing right-of-way for state road No. 59 between Wauconda and Barrington.

Following Hough street through Barrington as a temporary route, 59 will be built from the junction of Hough street with Route 22, north through Biltmore to Tower Lakes, striking the old Barrington-Wauconda road at that point and following that road into Wauconda.—Barrington Community Courier.

Hail Stones Puncture Roofs

While residents of northwest Cook county were experiencing a much desired rain June 3 those farmers living in and around Kitty Korner's, at the junction of Dundee and Rand roads, suffered a rather severe hail storm that deposited about six inches of hail on the ground.

The roof of the County Line Inn near Kitty Korner's was punctured by the hail and it was found necessary to construct a new roof.—Barrington Community Courier.

\$300 LOANS at Reduced Rate

Loans Below \$300 to \$30 At Rate Permitted by State Small Loan Law

Families keeping house who can repay monthly now may borrow \$300 at a real saving. Quick, private service. Only husband and wife sign. 20 months to repay. Visit, write, or phone for information.

WILMOT HIGH ALUMNI ELECT NEW OFFICERS

Commencement Address Is Delivered by Dean Stanley Ross

One hundred forty alumni and friends attended the annual alumni banquet Wednesday evening in the dining hall of the school. Miss Gladys Burton was chosen president to succeed Herbert Swenson; Glen Pacey president of the Class of 1934; vice president; Helen Loftus, secretary and Leland Hegeman treasurer. Mrs. Maudie Murdock, Mrs. Richard Burton and Lynne Sherman, members of the executive committee.

Mrs. Murdock was a very able toastmaster and introduced Henry I. Blum, Chicago attorney and member of the first graduating class of 1905 who was the speaker of the evening. She also called on Glen Pacey as president of the graduating class; Marlin Schurr, principal of the high school; and Lynne Sherman, the first Wilmot High school graduate to have a daughter graduate from the school who attended four consecutive years.

Smith's orchestra furnished music during the dinner hour and for dancing in the gymnasium later. The dinner was served by the Ladies of the Silver Lake Community church.

Clad in grey caps and gowns 29 students of the U. F. High School received their certificates of graduation at the commencement exercises at the school gymnasium on Thursday evening.

The graduates are: Bernice Berry, Marguerite Evans, Crystal Hartnell, June Hockney, Adeline Johnson, Bernice Longman, Fern McDougall, Virginia Mitchell, Gertrude Nett, Alice Oberhoffer, Glenn Pacey, Lois Pepper, Velma Schmalfeldt; Jeanette Schutzen, Shirley Sherman, Alta Vandersee, Genevieve Van Lier, Robert Van Lier, Lucille Weaver, and Floyd Zarnstorff.

Gertrude Nett was salutatorian and gave the address of welcome. Lois Pepper, valedictorian, gave an excellent address, "We Build the Ladder by Which We Rise."

The address "There were Giants in Those Days" was delivered by Dean Stanley Ross of Wayland Academy, Beaver Dam, Wis.

William Liesko, Mildred Berger and Alice Kuenzli left for their respective homes at the close of the high school on Friday. Ruth Thomas remained for a longer stay at the Jelele home.

Adeline Johnson spent Sunday with her parents at Ringwood.

Rev. J. Flinn was in Kenosha to visit Rev. O'Keefe, a patient at St. Catherine's hospital. Friday, Rev. Flinn and Miss Rose Yanny will be guests of the latter's mother, Mrs. J. Yanny and family at Burlington. Lola Harm underwent a tonsillectomy in the office of Dr. C. Klontz at McHenry on Monday morning.

Walter Frank is able to be around after a week's illness in bed following a fall at the gravel pit several weeks back when one of his shoulders was broken. Mr. Frank worked a couple of weeks before he realized he had been seriously injured when he fell.

Mr. and Mrs. Fred Gauger motored to Milwaukee Sunday and attended the Milwaukee automobile races.

Children's Day was observed at the M. E. Church Sunday evening with appropriate exercises. A pageant, "On Life's Highway," songs, recitations and two saxophone solos by Eva Vincent were features.

Maurice Gene Lake, the infant son of Mr. and Mrs. William Lake was baptized at the Lutheran church Sunday by Rev. S. Jelele. Sponsors were Viola Kanis and George Marcussen.

The O. E. S. chapter held Friends night Wednesday evening.

Mr. and Mrs. Corliss Williams of Hammond, Ind., spent Sunday with Mr. and Mrs. Roy Blood.

Miss Ethel Blood returned the first of the week from a week spent with her sister, Irva, at Mosinee, Wis. Irva was one of fifty graduates last Thursday evening of the Mosinee High School.

Harley Shotliff accompanied his grandfather, Elbert Kennedy of Trevor to Elgin for Monday and Tuesday to visit the latter's sister, Mrs. Hattie Blackman, who is ill.

Mrs. Wallace Miller is recuperating at the home of her father, John Rausch since her return from the Kenosha hospital where she was treated for appendicitis.

Letters in football were awarded the following students in the U. F. High School: Floyd Zarnstorff, Dale Richards, Arthur Schultz, Howard Lovestead, James Yanke, John Bleneman, Lyle Mecklenburg, James Peterson, Ralston Bailey, Melvin Wertz, and John Nelson.

In basketball: Glen Pacey, Floyd Zarnstorff, Vernon Runyard, Lyle Mecklenburg, John Nelson, Kenneth

LAKE VILLA WOMAN UNDERGOES OPERATION

Lena Nelson Is Graduated from the Normal State Teachers' College

Mrs. Carl Miller underwent a serious operation at the Lake County hospital on Monday of last week, and was sufficiently recovered to be able to be moved Tuesday of this week to the home of a friend in Waukegan where she will rest for a week or so before returning to her home here.

William Nelson spent last Thursday at Normal, Ill., and attended the graduation exercises of the Teachers' College there, from which his sister, Lena, has been graduated. Lena visited friends near Kankakee before returning home.

Miss Belle Richards of Antioch visited friends here on Monday.

Mrs. William Duncan and son, Gordon, have been visiting Mrs. Duncan's mother in Chicago, but Gordon was taken ill and is in the hospital in Waukegan.

Mrs. Dalrymple who has been confined to her bed the past two weeks, is improving.

The Sherwood camp was gay last Saturday when a large industrial plant in Chicago sent 150 of its employees out for a day in the country.

Mrs. Joe Nader entertained a group of her friends and small children at her home last Wednesday in honor of Marlene's third birthday, and on Saturday Kathleen Gindich was hostess to a group of small people because she was four years old.

Mrs. J. A. Pedersen and Mrs. Abent entertained relatives from Chicago and Naperville on Sunday.

Mrs. Becker has come out from the city and opened her cottage on Oak Knoll Drive.

Mr. McNeely, of Shelbyville, Ill., and his daughter, Miss Juanita McNeely, a former teacher here, spent last Friday with Mr. and Mrs. Chas. Frye.

Mrs. William M. Weber was a Waukegan visitor Monday, and her husband spent the day in Chicago.

The Ladies' Aid Society will meet at the parsonage with Mrs. Hewitt on Wednesday afternoon, June 20th.

Mrs. Hewitt and Clare visited relatives in Elgin Wednesday.

MILLBURN RECEIVES DELEGATION BANNER

Happy Hour Girls' 4-H Club Meets at George Panzer Home

The Sixty-sixth annual June meeting of Congregational churches of Lake County was held in Waukegan Tuesday, June 12, 1934. Millburn had a representation of twenty-nine and received the banner for the largest delegation.

The Happy-Hour 4-H Club of girls met with their leaders, Mrs. George Panzer and Mrs. Joseph Podesta at the Panzer home on Friday, June 8. Eleven members and one guest were present. Pot-luck dinner was served at noon. They will hold another all-day meeting June 15th.

Robert Hughes left Tuesday for Chicago and commenced his duties with the Roller Chair Company at A Century of Progress yesterday.

Mr. and Mrs. Bert Edwards and Mrs. George Edwards drove to Urbana Monday to attend the commencement exercises. Homer Edwards was a graduate and received his B. S. degree.

Miss Edith Holden spent Monday in Chicago.

Miss Bernice Bauman is spending six weeks at DeKalb Normal School. Mrs. Ed. Gillings and Mrs. Nancy Webb of Waukegan were callers at the D. B. Webb home.

Geraldine Bonner and Ethel McGuire drove to Urbana on Tuesday. Children's Day services will be held at the church Sunday at 10:30 o'clock.

The Hickory Unit of Home Bureau will meet with Mrs. Gordon Bonner Thursday, June 21st.

Homer White, with four other Lake county 4-H boys under the supervision of Lloyd Atwell, leader of Lake Villa club, spent three days in Urbana on the 4-H tour.

Mr. and Mrs. Robert Bonner attended the funeral services for the latter's cousin, John Hardie, Sr., which were held at the Congregational church in Rochester, Wis., Saturday afternoon.

Richard Martin who has attended Lawrence College at Appleton, Wis., the past year, returned home Friday for his vacation.

Settling Disputes

IT IS a strange thing that men often resort to strife first and reason afterwards in their efforts to settle disputes. Misunderstandings, jealousy, envy, self-justification, and the like are corrected not through strife, but through reason and amicable agreement. Wars are not a means of securing such an agreement; but after the use of bayonet and gun has ceased, and reason begins to bring about peaceful relations, then disputes are settled.

The ages have furnished historical data which prove that material ambitions and possessions afford no sound basis for peace, in either national or personal relations. Matter, being limited in its nature, expresses the belief of limitation in its every manifestation. Instead of making one great, trust in matter weakens one who relies upon it; and what this reliance does to individuals it does to nations. One right thinking individual is more valuable to world peace than millions of wrong thinkers. Referring to this individual importance, Mary Baker Eddy has written in "Pulpit and Press" (p. 4): "You have simply to preserve a scientific, positive sense of unity with your divine source, and daily demand of this. Then you will find that one is as important a factor as duodecillions in being and doing right, and thus demonstrating divine Principle." A little farther on she quotes, "One on God's side is a majority."

As the spokes of a wagon wheel get nearer the hub, they get nearer to each other: so is it with men; as they get closer to God in thought, they get closer to one another. The divine plan is impartial and blesses all alike who obey its laws of action. Love does not grant special favors, nor restrict legitimate progress; neither does it provide for such regulations through the material agencies commonly known as implements of warfare. The words of our Master, who came to fulfill the law, not to destroy, are as significant today as when they were spoken to Peter after he had drawn his sword and cut off the ear of the servant of the high priest: "Put up again thy sword into its place: for all they that take the sword shall perish with the sword." Then, as if in holy benediction, he turned Peter's thought from matter to the infinite source of all good by asking, "Thinkest thou that I cannot now pray to my Father, and he shall presently give me more than twelve legions of angels?"

During the last quarter of a century was witnessed the most vicious and widespread combat ever fought, and today there is a crying need for assurances of peace, and a universally acceptable basis for the settlement of disputes. Spurred on by what it calls national defense policies, the human race has become engaged in the provision of drastic material methods of self-preservation.

But that which counteracts "all evil" comes from the divine Mind, not from the cannon's mouth. When animality gives way to brotherly love, and trustworthiness takes the place of dependence upon brute strength, the desire to rule one's neighbor through force or cunning will cease. It is the nature of God's law to elevate, not suppress, the human race; to give life, and not to take it. His law holds universal jurisdiction over all points of equity, and His angels bestow all blessedness on those who obey His law. As one becomes better acquainted with the demands of divine Mind, one begins to settle personal disputes by first correcting one's own thought. Starting with God, the source of all intelligence and good, one may establish friendly relations with others, for there is but one common origin and basis of all harmonious action.

Intelligence has already established an impartial and wholly practical answer to all questions; and when the entire human family submits to God's government, there will be no cause for distrust, fear, or strife, and there will be no unsettled disputes among men. When will the prophecy of Isaiah be fulfilled, namely: "The mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. . . . And they shall beat their swords into plowshares, and their spears into pruning hooks: nation shall not lift up sword against nation, neither shall they learn war any more."—The Christian Science Monitor.

YOUNG STUDENT PRIEST ASSIGNED TO FOND DU LAC

The Rev. Mathias Zerfas who has just been ordained from St. Francis' Training School for Priests in Milwaukee has been assigned to St. Mary's Catholic Church at Fond du Lac, Wis., for his first parish. He will take charge today.

This is considered quite an honor, as Fond du Lac church is one of the larger parishes. Zerfas has been unusually zealous in the pursuit of his training, being graduated at the age of 34. He is the son of Edward Zerfas, Twin Lakes, who is the proprietor of the Bay View Hotel.

Chickens Stolen from McDougal Farm

Chicken thieves, once more making their appearance in this vicinity, entered the chicken yards of Gene McDougal, a farmer on the Channel Lake and Wilmet roads, Monday evening and stole about a hundred chickens. The theft was reported to Deputy Sheriff Russell McBride, who is working on the case.

Stearns-Galbraith Nuptials Are Read

Well-Known Local Couple Are Wed Today at Home of Bride

The first June wedding to be solemnized in Antioch this month occurred at the James Stearns home on South Main street this afternoon at three o'clock, when Rev. J. E. Charles read the marriage service for Miss Esther Stearns and Mr. Hugh Galbraith.

The ceremony was performed before the fireplace in the living room, beneath a trellised arbor covered with smilax, gladioli, peonies and other flowers and greens. Mendelssohn's Wedding March was played by Miss Jean Abt, followed by two solos, "Because," and "I Love You Truly," by Mrs. Gordon Martin.

The bride, only daughter of Mr. and Mrs. James Stearns, was given in marriage by her father. She was becomingly gowned in a powder blue crepe dress with a coat, and wore a cartwheel hat and matching accessories, and a shoulder corsage of white roses.

Maid-of-honor was Miss Louise Simons, who wore a white crepe dress with a coat, blue accessories, and a corsage of pink roses. Virgil Galbraith, Chicago, brother of the groom, was best man.

To Take Trip into Wisconsin
A reception was held and buffet lunch served after the ceremony, following which the newlyweds left on a brief motor trip through Wisconsin. Among those present were Lee and Virgil Galbraith of Chicago, brothers of the groom, and their families.

The bride was graduated from the Antioch Township High School in 1929 and from the Bryant-Stratton Business College in Chicago. She has been employed in Chicago for the past year.

The groom, son of Mrs. Martha Galbraith, Sauk Center, Minn., attended the University of Minnesota, and for the past four years has been employed at King's Drug Store.

The young couple for the present will make their home with the bride's parents at 1031 S. Main street.

HOLD CHRISTENING FOR THE GRANDSON OF C. K. ANDERSON

An impressive christening service conducted by Dr. Preston Bradley of People's Church, Chicago, was held for William Edward Schroeder III, fourteen-months-old son of Mr. and Mrs. William Schroeder. The event took place on the lawn of the home of Mrs. Schroeder's parents, Mr. and Mrs. C. K. Anderson at Lake Catherine, about 4 o'clock Sunday afternoon.

Nearly one hundred guests were present, including a number from Antioch and Chicago, and several from Niles, Mich., and LaPorte, Ind.

BUDDY MAPLETHORPE CELEBRATES BIRTHDAY WITH A PARTY

Mrs. Arthur Maplethorpe entertained at a party held in honor of the tenth birthday of her son, Buddy, Tuesday afternoon. Fourteen children were present. Games were played and refreshments served, after which Buddy received many gifts.

STAGE BIRTHDAY PARTY WEINER ROAST

About thirty guests were present at a party and weiner roast given by Mrs. Al Swenson and Knute Lassen in honor of the birthday of William Fox yesterday evening. The party was held in the large woods on the Swenson farm north of Millburn, known as the Conkila farm. Prizes were won by Miss Lena Pederson and Al Swenson.

MRS. WM. SCHROEDER ENTERTAINS SORORITY

Mrs. William Schroeder was hostess to about thirty members of the Kappa Alpha Theta sorority, of which she is a member, at the home of her mother, Mrs. C. K. Anderson on Lake Catherine Tuesday.

MRS. W. J. VAN DUZER CELEBRATES 75TH BIRTHDAY

The many friends and neighbors of Mrs. W. J. Van Duzer helped celebrate her 75th birthday anniversary, with a shower of birthday cards, Friday, June 8th.

Moose Dance Saturday, June 16, at Moose Hall.

Mrs. Louise Gilbert spent the week-end in Antioch the guest of her parents, Mr. and Mrs. J. C. James.

Misses Glenna and Cornelia Roberts, Miss Dorothy Runyard, Henry Pape, Jr., and Miss Lorraine Pape spent last Friday at the Field Museum in Chicago.

Our finest coffee—bought by the barrel and sold by the pound. Special this week, 25c a pound. Powles Food Store.

Misses Glenna and Cornelia Roberts attended a luncheon and shower given for Miss Shirley Greenlaw at the home of Mrs. Florence Hood in Cicero today.

Mr. and Mrs. A. L. Tiffany entertained Miss Eleanor Slusser, Tom Slusser, Miss Florence Borgensen and Wallace Moxey of Norwood Park Sunday.

Ald Circle Will Sponsor
Ice Cream Social Wednesday

An ice cream social will be given on the Methodist parsonage lawn next Wednesday night by Mrs. Paul Ferris' circle of the Ladies' Aid. Ice cream and cake will be served. The public is invited.

MOOSE CLUB TO SPONSOR DANCE

A public dance sponsored by the Moose Club will be held Saturday night, June 16, at the Moose Hall. Old Time dances. Admission 25c.

William Brook, son of Mr. and Mrs. Ernest Brook is returning home from Beloit College Friday.

Mr. and Mrs. H. Shepard of Woodstock were Sunday callers at the Howard Gaston home.

Mrs. Nason Sibley spent Tuesday in Chicago.

Miss Ann Greer will remain in Antioch this summer. Miss Greer is employed at the high school. Her work for the summer consists mainly of making detail subject index for the use of the high school students.

Mr. and Mrs. William Girard and family attended the silver wedding anniversary of Mr. and Mrs. Adolph Girard, Saturday evening at Kenosha.

Mrs. Irving Elms and daughter, Louise, accompanied by her aunt, Mrs. Joseph Smith, Trevor, motored to Woodford, Wis., Tuesday and spent the day with the Fred Salzwedel family. Louise remained to spend two weeks.

Mrs. James Webb spent Saturday at the home of her son, Howard Waters and family, Trevor.

Mrs. Helen Du Pre visited Mrs. Harold Mickle, Trevor, Wednesday and Thursday.

John Brogan, Jr., returned home from school last Thursday.

Mr. and Mrs. Richard Corrin and daughter, Elizabeth, are occupying the Nellie Runyard cottage on Rock Lake during the summer months.

Mrs. B. Ray of Waukegan spent Tuesday in Antioch.

Georgia Ray Drury To Present Piano Pupils In Recital

Georgia Ray Drury, teacher of piano and harmony, will present her pupils in a piano recital next Tuesday evening, June 19 at 8:15 o'clock.

The program will be held this year at the First Christian Church, Waukegan, corner of Clayton and Utica Streets, according to an announcement by Mrs. Drury, who extends a cordial invitation to all of her Antioch friends.

Assisting artist on the program will be Mr. Jesse Mudgett, basso, who has attained recognition on the North Shore as a very talented voice soloist.

For the past year Mrs. Drury has conducted piano classes in the Fox Lake and Gavin grade schools. Pupils from these classes will be presented on the program in addition to those from Antioch and Waukegan.

Those participating are: Robert Swenson, Bobby Kufak, Peggy Ball, Francis Swenson, Ernestine Dickinson, Geniev E. Nevelier, Marie Ball, Dorothy Williams, Wilma Jean Schaefer, Eleanor Nixon, Rosemary LeBaron, Grace Bejeck, Dolly Lattin, Marion Wallace, Dolores Downey, Francys Turk, Virginia Whitson, Bob Brunner, Margaret Burckle, Oday Hjemeland and Norma Garretson.

ELEANOR MEYER, ELMER KUFALK, WED

Ceremony Is Held in Home Church of Bride at Lexington, Ill.

A beautiful June wedding service was solemnized at the Presbyterian Church in Lexington June 12, when Miss Eleanor Meyer, a teacher in the Antioch Grade School for the past five years, became the bride of Elmer William Kufalk of Antioch. Rev. Hohenstein, a German Lutheran minister from Bloomington and a cousin of the bride, conducted the service. The ceremony took place at high noon, with school friends of the bride, Elsie McHugh and Joy Trimmer, playing Mendelssohn's Wedding March, a double piano duet. Soloist was Florence Wright who sang "O Promise Me," and "I Love You Truly." The bride was becomingly attired in white satin, with a train and veil and all white accessories. She carried a bridal bouquet of white flowers.

Children Take Part

Miss Reta Hawkins of Antioch, attired in blue silk, was bridesmaid, and Clarence Kufalk, brother of the groom, acted as best man. Other attendants were little Barbara Jean Meyer, Aurora, trainbearer; Verna Mae Kufalk, daughter of Roy Kufalk, flower girl; and Billy Meyer, Lexington, ringbearer.

Following the ceremony, a dinner was held at the church parlors, with a reception at the home for the immediate relatives. It is reported that the young couple will spend their honeymoon in the Ozarks.

The bride, daughter of Mr. and Mrs. F. C. Meyer, is a graduate of the Lexington High School. She attended Normal Illinois State University for three years and studied music at Illinois Wesleyan. Before coming to Antioch to teach, she taught for three years in rural schools near Lexington.

To Live in Antioch

The groom, son of Mrs. Louis Kufalk, is a graduate of the Antioch Township High School, and attended the University of Illinois for three semesters. For the past eight years he has been employed on the Lake Villa milk route for Scott's dairy.

Upon their return the latter part of this week, the young couple will establish a residence on Harden street.

Those attending from Antioch were Mr. and Mrs. Will Runyard, Mr. and Mrs. Roy Kufalk and daughter, Mrs. Louis Kufalk, Miss Marguerite Kufalk, Miss Reta Hawkins, Clarence Kufalk, Albert Herman and Miss Helen Curran. Cousins of the bride, Mr. and Mrs. Louis Newman of Pittsburgh, Pa., were also present.

Government Warns of Counterfeit Notes

The Treasury Department in bulletin dated June 5 furnishes descriptions of new counterfeit bank notes that have made their appearance in many parts of the country. The newest of these is a \$10 Federal Reserve note on the Bank of New York, series of 1928, bearing facsimile signatures of W. O. Woods, Treasurer of the United States, and A. W. Mellon, Secretary of the Treasury. The portrait of Hamilton is defective and borders on back of these notes are indications of retouching printing plates. Otherwise the note is said to be fairly deceptive. One of these showed up in a local bank a few days ago. Previously a \$5 and a \$1 note also were passed in Antioch. Merchants and others are warned to watch for these spurious notes.

Government To Furnish Free Creosote For Chinch Bug Control

Lake county farmers have been allotted sixty barrels of free Federal creosote for emergency chinch bug control work in Lake County.

The first sixty farmers to get their orders to the Farm Bureau office, Grayslake, will be the lucky men. In order to get this creosote they must agree to pick it up when it arrives, which will probably be the first part of the week of June 17, and use it according to the method demonstrated at the Chinch Bug Control demonstrations held in Lake County recently.

Any farmer desiring to get a free drum of this material should get in touch with the Farm Bureau Office (Grays Lake 33) immediately, as there will be only enough for the first sixty who get their orders in.

OVER FORTY ENROLL IN BIBLE SCHOOL

An enrollment of over forty pupils in the Bible School which opened Monday at the Methodist church was recorded by Rev. L. V. Stiller, pastor. Classes will be held every morning from 9 until 11:30 for two weeks, and will include Bible Instruction, Handicraft, Recreation, Music Period, and Story Hour.

The School is being conducted primarily for the religious education of grade school children or those about to enter grade school, and is open to any child in this community. The group is divided into primary and junior departments.

Assisting Rev. Stiller are Grace Nelson, Wilma Musch, Clayton Bartlett, Reta Hawkins and Gwendolyn Stiller, pianist.

ACES SPANK GURNEE TEAM SUNDAY, 12-6

Bown Holds Visitors Down While Teammates Score Win

Pitcher Vic Bown was in rare form Sunday when he allowed the hard hitting Gurnee ball team but eight scattered hits and fanning eight batters, while his teammates collected 12 safe drives and earned a 12 to 6 victory over the visitors.

Bishop, Bown, Lasco and Peterson were credited with doubles and Keulman and Hook with three base hits.

Next Sunday afternoon Manager Gartley's Aces will meet the Cities Service team of Waukegan on the home grounds.

GRASS LAKE WINS FROM ANTIOCH NINE

Miller Chalks up Three Runs for Antioch Monday

The Antioch soft ball team lost a hard-fought game to Grass Lake at the Grade School diamond Monday evening. The game was the first official game of the Chain O' Lakes Twilight League. The League is composed of six teams: Lake Villa, Antioch, Grass Lake, Allendale, Anderson's and Fox Lake.

Antioch will play its second game of the season with Lake Villa at the high school diamond here Friday evening at seven o'clock. The boys welcome spectators and boosters.

Children's Day Services Dramatized

An unusually fine Children's Day service was conducted at the M. E. Church Sunday morning before a full assemblage of worshippers.

The feature of the morning was the dramatized story on Child Labor, presented by the pupils of the primary and junior departments under the direction of their respective teachers, Miss Anna Drom, Miss Wilma Musch and Miss Fanny Westlake; Miss Gwendolyn Stiller assisted at the piano.

The drama was divided into three acts, depicting child labor conditions in an Italian scene, an Indian scene and an American scene. A prologue by Andrea Dalgaard preceded the play.

Most
Amazing Proof
OF EXTRA STRENGTH • SAFETY
AND DEPENDABILITY
Ever Known!

WORLD RECORD BROKEN!

It is almost inconceivable that human ingenuity could build tires that would withstand the terrific punishment of the 500-mile grind at Indianapolis, May 30.

'Round and 'round the blistering track they streaked, hour after hour, under the blazing sun . . . the low moan of powerful motors rose to a terrific roar as they hit the straightaways at 150 miles or better—grinding, pulling, pounding around treacherous tire-destroying curves faster than they ever dared before. Sliding into the turns at these terrific speeds, there was nothing to hold the car to the track except the tire.

Mile after mile, lap after lap, greater and greater heat and increased centrifugal force developed to separate the tread from the body of the tire. Every conceivable force known was working to tear the tires to pieces—yet Firestone High Speed Tires, with Gum-Dipped High Stretch Cords, withstood this most grueling test.

Thirty-three demons of speed—thirty-three cars equipped with Firestone High Speed Tires—all protected by Gum-Dipped High Stretch Cords—entered the Annual Speed Classic. Every tire was bought by the driver or owner of the car.

In all the heat—in all the grinding—in all the straining and pulling—not one cotton strand loosened—not one life was endangered by tire failure—not one car was forced out of the race by tire trouble. Six of the winners finished without a tire change.

What a tribute to the Extra Strength—Safety and Durability built into Firestone High Speed Tires.

WHAT THIS MEANS TO YOU

The amazing record of Firestone dependability at Indianapolis was made possible by the Firestone patented process of Gum-Dipping. Every fiber of every cord in every ply of the tire is saturated and coated with pure liquid rubber; there are eight extra pounds of rubber to every 100 pounds of cotton cords.

There is greater adhesion between the plies of the Gum-Dipped Cord body and between the body and the tread. As a result of this patented process of Gum-Dipping Firestone engineers have been able to build a wider tread of flatter contour, with more and tougher rubber and deeper non-skid, giving you more than 50% longer non-skid mileage.

Don't delay! Call on the Firestone Service Dealer or Service Store in your community today and equip your car with the new Firestone High Speed Tires for 1934. Drive with security and peace of mind.

ANTIOCH GARAGE -- Antioch
FRED STAHER -- Hickory Corners

Yesterdays

Forty Years Ago
June 14, 1894

A Tonqua panther escaped from Forepaugh's Menagerie during the night they showed at Burlington. Two lambs were found dead with the blood sucked from their veins on the farm of U. Betso near Honey Creek, supposedly the work of the panther.

Cards are out announcing the marriage, June 28, 1894, of Miss Ethel M. Hughes, daughter of Mr. and Mrs. J. H. Hughes of Lake Villa to Mr. Russell A. Douglas.

Mr. and Mrs. R. D. Emmons and daughter Alice left Monday for a visit with relatives at Washburn, Iowa.

Mr. and Mrs. J. C. James, Jr., will observe the fifth anniversary of their marriage June 18, with a party.

Arthur Wilton, having finished one term at Valparaiso college, is now at home.

John Rea, manager of the Trevor Stock Yards, made a business trip to Chicago Thursday.

Oliver Hook of Rollins is building a mammoth barn, forty by ninety feet, with a basement.

Antioch in Alphabetical Rhyme S, first in Sibley, who from Wilmot did come.

He claims that that town can now be called "rum."

A "wood-butcher" he of some little note

But now he's engaged in carving the shoot

And the sheep and the cow and the chickens as well.

And when there's naught else to do, long stories does tell.

Twenty Years Ago
June 11, 1914

The East Side hotel at Fox Lake, one of the largest and most popular summer resorts in the lake region, was gutted by fire early Tuesday evening, the estimated damage being \$25,000. The building was owned by Dr. Karl Sandberg of Chicago, and conducted by Nick Morris.

Father Joyce, Belvidere, former priest at St. Peter's church here, called on Antioch friends Saturday.

Russell Harden has accepted a position in the Kettlehut meat market during the summer.

George Gollwitzer has purchased the store building of A. M. Christensen on Main street and will erect a one-story addition in the rear. Consideration was \$2,250.

A son was born to Mr. and Mrs. John Brogan June 9.

Miss Markaret Weber, daughter of Mr. and Mrs. William Weber, Sand Lake, near Lake Villa, and Rush Hussey were united in marriage by the Rev. Hutchinson Saturday afternoon.

Fifteen Years Ago
June 12, 1919

Arthur Hawkins, Antioch, and Miss Hattie Miller of Bristol were united in marriage by Justice Balz of Waukegan Saturday.

William Davis, who has been in the service for the past two years, received his discharge at Camp Grant Sunday and arrived in Antioch Tuesday.

Frank Gray also returned from Camp Grant but went back to the city where he has a position. Others returning were George Garland, George Palmer, John Kaluf, Red Waters, Vincent Dupre.

Mr. and Mrs. Walter Adams left today for Mt. Sterling before settling at Normal, where Mr. Adams will enter college. G. W. Jensen has leased the Adams house.

Miss Stella Kerr, daughter of Mr. and Mrs. James Kerr, Lake Villa, and George Mitchell were united in marriage June 11. Word has also been received of the marriage of Raymond Meachman, second truckman at the Soo Line depot, to a Wisconsin girl.

Miss Leora Sheen has been engaged to teach the lower grades at Trevor for the coming year.

A shower was given Miss Vera Irving, Millburn, by the Eastern Star in honor of her approaching marriage to Mr. Ryehman of Waukegan.

Miss Ida Christensen, Millburn, daughter of Mr. and Mrs. M. Christensen, was married June 11 at Wilmot to a Lutheran minister.

Elsie Bufton, Wilmot, Wis., and Alver Hammerstrom of Billings were married at Billings June 7.

Ten Years Ago
June 12, 1924

A pretty home wedding took place at the home of Mr. and Mrs. Joseph Panowski on Wednesday evening when their daughter, Elsie, became the bride of Louis Horton of Antioch.

Ward Abt has accepted a position at King's Drug Store.

Mr. and Mrs. Ralph Kinrade entertained at a dinner June 9 to celebrate their fifth wedding anniversary.

A son was born to Mr. and Mrs. Leland Watson of Libertyville Monday evening.

Miss Alice Hahn has secured a position at the Chicago Footwear Co.

A baby girl was born to Mr. and Mrs. Harold Ellis June 9.

Miss Ruth Morgan, daughter of Mrs. Clara Morgan of Wilmot, was married at Milwaukee Saturday afternoon to Howard Zoerb of Milwaukee.

Mary and Herbert Swenson arrived home at Wilmot after an 11-day auto trip over the Lincoln Highway from Los Angeles.

Disarmament

AT THE present time much is heard about disarmament. To the world in general the word means the act of disarming, as by reducing the military or naval force of nations. As the years pass, it is being learned that this taking away or lessening of a material sense of power is not in itself capable of bringing peace. Yet is not peace what the people of the whole world are seeking? The realization of harmony can never be gained while the thoughts of men are filled with envy, hatred, and suspicion. If fear could be eliminated from the thoughts of men, then the host of evil beliefs, expressed in malice, jealousy, and the like, would disappear.

Suppose the right way of thinking, with the consequent blotting out of thoughts of hate, should spread until for the whole human family all sense of hatred had been destroyed. What a change would have come over the world! Indeed, to disarm men of the evil mode of thinking would bring about the peaceful attitude of nations towards one another which people so much desire.

As nations are aggregations of people, each individual in the nations must disarm his own thought of fear and hatred. This true disarmament is not material, but spiritual. If we really desire to have no need for arms, we must begin with ourselves and control our own thoughts. Those who have learned through the teachings of Christian Science that man is the reflection of divine Love, God, the creator of all that is real, must live consistently with this teaching. They must refuse to think or express thoughts which include hatred. What will be the result? The love expressed in their thinking will be felt by all with whom they associate.

For those who have the correct understanding of Truth, now, not tomorrow or next week, is the time for them to begin by right thinking to help disarm the world of its fears. One may say: "What good can my thoughts do for the world? I am only one standing against the widespread belief in the power of evil." Studying the life-example of Christ Jesus, we find that he was as one against the world. Were his right knowing, right thinking, and right acting in vain? Are we truly his followers when we are not endeavoring to fulfill his mission? Was not this mission to bring to light peace, good will, universal love? The three years of his glorious healing ministry were filled by him in showing the world, for all time, how to disarm itself of all error. As in the time of Jesus envy, hatred, and malice were aroused by his demonstrations of the truth, so at this period, Mary Baker Eddy writes (Miscellaneous Writings, p. 134): "Error is only fermenting, and its heat hissing at the 'still, small voice' of Truth; but it can neither silence nor disarm God's voice."

Joshua and his band were not discouraged because the walls of Jericho did not fall at once. It was necessary that the army should march around the walls each day, for six days, and on the seventh day seven times. And not only did the people march together, but before the walls fell they shouted as with one voice. By the individual recognition that the real man reflects only Truth and Love, and its false beliefs of envy, jealousy, suspicion, hatred, and fear are destroyed. Love is supreme. The Psalmist realized that men have the power to resist evil when he said: "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations." The counsel of the all-knowing Mind can and will guide men aright as they give up self-will and surrender to God, Truth. "The thoughts of his heart" are thoughts of peace. Are we listening to these spiritual thoughts or ideas of peace and harmony, or are we believing that hate and fear are irresistible? It is for each individual to answer aright this vital question.—The Christian Science Monitor.

BOY IS GRADUATED
FROM WEST POINT

Nathaniel Plummer Ward, Durand, Wis., a great nephew of Mrs. Charles G. Ford, Twin Lakes, was graduated with honors from West Point Military Training School Tuesday evening, June 12.

Before attending West Point he was graduated from Menominee High School, and attended Stout Normal Institute at Menominee a year, receiving such excellent grades that he was not required to take the West Point entrance examinations. He is one of eight from the State of Wisconsin to be graduated from a class of 250. Upon graduation, the students may leave or accept the appointment or commission to which they are assigned. Mr. Ward plans to continue his military career and accept his appointment.

He is the son of Mrs. Nat Ward, who is well-known in Twin Lakes and Genoa City, Wis. Mrs. Ward is a niece of Mrs. Charles Ford, Twin Lakes. Ward is being graduated at the youthful age of twenty-two.

"WHY HELEN, DON'T THE
ICE TRAYS STICK?"

"MY DEAR, ICE TRAYS THAT
STICK ARE OUT-OF-DATE...."

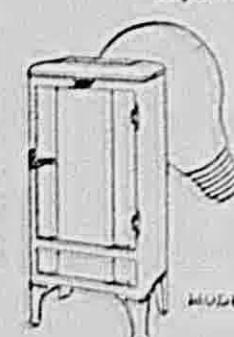

Ours is a Frigidaire '34"

Automatically—at a finger touch—ice trays glide from the freezer of the Frigidaire '34! But that's only one of the features of this fine Frigidaire.

For instance, the Super Series Frigidaire '34 has automatic defrosting; it has Lifetime Porcelain inside and out; it has the new Sliding Utility Basket for eggs and small articles; and the Frigidaire Servashelf that's so

convenient when rearranging things in the refrigerator.

Nor is that all!... double Hydrator capacity; interior lighting; faster freezing; and more-than-generous food space, with extra room for tall bottles. And the powerful, quiet motor operates on a remarkably small amount of current! Will you come in and see what's happened in electric refrigeration?

Here is a Frigidaire that Uses Less Current than One Ordinary Lamp Bulb

FOR ONLY
One
Nickel

Five cents—the cost of a package of gum—will operate a washing machine, a vacuum cleaner, a percolator, an electric iron, a toaster, a waffle iron—all at one time—for one solid hour at the new 2c per kilowatt-hour portion of the electric rate, in effect after 17 kilowatt-hours per room have been used in the month. Other useful electrical devices also cost but a few pennies to operate. Take advantage of the new low rates—think what comfort, what convenience the use of labor-saving appliances will bring to your home.

PLANT SEED NOW FOR FUTURE BLOOMS

Lovely Flower Garden May Be Achieved With Little Cost

Despite the drouth and dry weather the beauties of gardens are not altogether extinct for this summer. Preparations for the Lake Forest Garden Show are being carried on with as much enthusiasm as before. Perhaps more effort will be evinced, for the arid weather tricks offer a real challenge this year to garden addicts.

If the home is equipped with running water, with available hose for sprinkling the garden, the problem is simplified. If not, now is the time to prepare for next year.

Perennials are planted from seed this year for blooming next year and many years thereafter. Biennials planted this year bloom next year and die; annuals bloom from seed the first year. The seed cost of many varieties is surprisingly small.

June, July and early August in this vicinity is the period when most of the popular kinds of flowers should be started from seed. A seed nursery bed, about six feet square, from which the plants may be transplanted early in the fall, provides a safe and easily watered place for germination and first growth, in a soil which is not too rich.

Seed Bed Requirements
Good drainage is most important, and if not naturally available it may be secured by placing a layer of cinders, stones or broken crocks in the bottom of the seed bed after eight inches of the soil have been removed.

The top four inches of the soil in the seed bed should be light and spongy so that it will hold moisture and not bake. Use a mixture of one part good garden soil, one part builders' sand and one part granulated peat of leafmold. Mix these thoroughly and run them through a quarter inch sieve.

It is most practical to enclose the seed bed with a frame of rough boards, held in an upright position by foot length pegs. This frame acts as a protection from animals and makes it possible to shade the bed easily.

The level of the seed bed should be from two to three inches higher than that of the outside ground. The soil within should be tamped down firmly and wet down two or three times with a fine spray prior to the planting of any seed to assure its being firm enough to bring the seed and soil in close contact.

Seed for the rock garden as well as for the perennial border may be grown in this same nursery. The list of perennial seed to be sown in June is a large one and includes such popular species as Alyssum, Iberis (candytuft), Gaillardia (blanket flower), Perennial Poppy, Saponaria (soapwort), Aquilegia (columbine), Campanula (bell flower), Lupine, Veronica, and Coreopsis.

Plant Biennials Later
Biennials may also be sown in June, but certain of them fare better if sown in the latter part of July or early August, as too much growth is not desirable—it may encourage fall bloom, and also make the plants more difficult to carry over the winter.

The group that should be withheld from early planting includes pansies, Bellis (English daisy), Digitalis (foxglove), and Canterbury bell.

These perennials do best if sown in the fall: Adonis, Anthericum,

Asperula, Dicentra, Liatris, Echinops, Trollius, Sidalcea, and Oenothera.

In sowing the seed, use a straight stick to mark the rows and its edge may make the actual depression that is to form the row. Label each variety at the head of its row and sow the seed thinly. Cover the seed to a depth twice their largest diameter. Very fine seeds need not be covered at all, but gently pressed into the soil with a block of wood.

As the seedlings grow, you may water more heavily and less frequently. At this time you may need a sub-nursery for transplanting. A bed similar to the first will be suitable—of good loam soil, well-drained. The plants should be lifted, and replanted carefully in the new bed, and placed about six inches apart each way. Here they will remain until early fall to be then placed in the borders or beds where they are to bloom the following year.

Throughout the entire life of the young plants, remember that quick soft growth is to be discouraged—which means that foods too high in nitrogen should be used most sparingly. Stocky plants of firm texture are the kinds that will winter over. It is a smart practice to reserve some plants of each variety right in the beds after the remainder are planted out, so you may replace those that may be killed during the winter in the open beds.

Biennials, such as Campanulas, Digitalis and some perennials that form a heavy tuft of leaves, which are inclined to be soft, are kept in their nursery beds by some gardeners and moved into the border the first thing in the spring.

Serve Sandwiches And Cool Drink To Unexpected Guests

Hostesses at Lake Cottages Often Confronted with This Problem

For the summer cottager or village resident who is often obliged to play the part of hostess to her enthusiastic Chicago friends, the problem of what to eat and drink presents a real problem.

If she knows that guests are coming she can prepare for them. It's the unexpected callers who catch her unawares, and sometimes, like Mother Hubbard, with the cupboard bare.

However, if she has the makings of some tasty sandwiches and ingredients for a cooling drink, she's ready for the onslaught. Let 'em come!

Cheese Marmalade Sandwiches
Add a tablespoon of cream to Neufchatel cheese, warm slightly and it can be worked like soft butter. Add ½ cup chopped walnuts or crushed peanuts to it, and a tablespoon orange marmalade. Spread on well buttered slices of whole wheat or Boston brown bread.

Gingerbread Sandwiches
Day-old gingerbread
1 can condensed milk
1 small jar peanut butter
1 pound powdered sugar
1/3 teaspoon salt

Cook together the milk, peanut butter, salt and powdered sugar, stirring constantly until a little dropped in cold water forms a firm ball. Beat until the mixture begins to thicken, then spread between thin slices of gingerbread and cut in any desired shape.

Toasted Rolled Cheese Sandwiches
1 cup milk
½ cup butter
1 tablespoon flour
2 eggs
½ grated cheese

½ teaspoon salt
¼ teaspoon red pepper
Fresh bread
Prepare a white sauce with the milk, butter and flour. Add the well-beaten eggs. Beat until smooth. Add the cheese and seasonings and stir all until well blended. Set aside to cool. Slice thinly and trim the crusts from freshly baked bread. Spread the cheese mixture, roll up and pack close together, setting into a dry place until ready to toast. Toast in a medium oven until a golden brown.

The sandwiches may be made and rolled ready to toast a day before they are to be used, but only freshly baked bread will roll properly.

Strawberryade with Brownies
To make this delicious drink, boil a quart of strawberries with half the amount of water for 10 minutes. Add the juice of a lemon and sugar to taste. Take the strawberries which should be strained out, add a little more water to them with one-half the quantity of sugar, simmer for five minutes and use as jam for luncheon or supper.

Hong Kong Kooler
8 teaspoons black tea
Juice and rind 2 oranges
Juice and rind 1 lemon
½ cup sugar
4 cloves
1 quart boiling water
1 large bottle ginger ale
Crushed ice
Put the tea, cloves, orange and lemon rinds and sugar into a large pitcher, pour the boiling water over them, cover and set aside until cold. Strain, add the orange and lemon juice and the ginger ale. Mix quickly and pour into glasses which have been partly filled with crushed ice or serve from a pitcher in which small blocks of ice have been placed.

Sparkle
3 cups tea infusion
2 cups elder
Juice of four oranges
Juice of 2 lemons
1 cup sugar syrup
1 small bottle ginger ale
Blend the tea, elder, fruit juices and sirup. Chill thoroughly and just before serving, pour in the ginger ale. Serve immediately, placing a half slice of orange in each glass.

Christian Science of Three-Fold Benefit, New President Says

Six Thousand Attend the Annual Meeting in Boston

Boston, Mass., June 4—Virtual completion of the new Christian Science Publishing House in Boston, Massachusetts, and gratitude to the Field for its loyal support which made this achievement possible, was the keynote at the Annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, held here today.

Better and quicker healing, and closer unity in its demonstration, as well as greater consecration to the ideals set up by Mary Baker Eddy, the Discoverer and Founder of Christian Science, were impressed upon the "army of Christian Science workers," more than 6000 strong, who attended this Annual Meeting. These workers are representatives of a field which extends to such remote points as Australia, South Africa, the Philippines, as well as England and many of the continental countries. Practically every state in the Union and many parts of Canada also are represented.

Announcement was made of the election of the following officers:

President—Dr. John M. Brewer, of Cambridge, Mass.

Treasurer—Edward L. Ripley, of Brookline, Mass.

Clerk—Ezra W. Palmer, of Brookline, Mass.

The new President of The Mother Church, Dr. John M. Brewer, is a native of Antioch, California. He graduated from the University of California at Berkeley in 1902.

His first experience with Christian Science was through a healing in 1905. In 1909 he joined The Mother Church, in First Church of Christ, Scientist, Cambridge, Massachusetts, of which he is now a member, he has served as President, First Reader, and member of its Executive Board. He also belongs to Christian Science Organization of Harvard University.

In his address, Professor Brewer pointed out three ways, among others, by which Christian Scientists "can help humanity to get along peaceably and harmoniously with each other, in family, village, town, community, state, nation, and world." First, "we can continue and improve our work of healing the sick and sinful, whether in our individual experience or in that of others who turn to us for help."

In the second place, the President declared, "we can contribute to the cause of democratic government and

peace among nations through meat-physical discernment given by Christian Science, we shall be able to support the good in human affairs, and to reject the impracticable, unwise, extravagant, and evil.

"The third great agency for contributing to good government lies in our own relationships with our fellow man. Here we can show, in a practical demonstration which none can gainsay, just what human government may become when man is governed by God."

Twin Lakes Casino Is Ideal Place To Dance And Dine

Maintain Complete Roll of Attractions for the Vacationists

Announcement is made this week of the recent engagement at the Casino, Twin Lakes, Wis., of Howard Gaston's orchestra, direct from a 30 weeks' engagement at the Valencia Ballroom, Waukegan. The orchestra plays every evening except Monday and Tuesday, and on Sunday afternoons.

The Casino, on the former Simmons estate, is situated on the east side of the upper twin of Twin Lakes, Lake Marie, and may be said to possess the last word in rustic elegance from their 1,500 foot shore line to the bar. It is a large secluded dance and dine resort, with spacious overnight accommodations and all modern conveniences for summer vacationists as well.

Surrounding the dance floor just outside the French doors are the lounges and dining rooms which accommodate nearly 200 persons. The rustic note prevails here with wicker and reed furniture and woven rope rugs. Large dinner parties or reunions are given service in the private dining rooms.

A particularly fine view of the lake is afforded from the boat house veranda, from which a clear view of the bluffs and wooded knolls across the water may be obtained. A boat-renting service is maintained. The wooded grounds with wild flowers in addition to rare varieties of peonies now in bloom, form a fine background for the Casino.

One of the features of the place is the barroom, over which Herman Glazer, specialist in the art of mixing all known varieties of drinks, presides. A modernistic walnut bar attracts favorable attention, as well as the indirect system of lighting.

Co-proprietors of the place are Otto Michaels, Herman Glazer and Max Schoor.

500 Books Added To Public Library During Past Year

Selection Includes Fiction and Many Types of Non-Fiction

Five hundred books have been added to the shelves of the Antioch Public Library during the past year, through purchases and the courtesy of friends and patrons, according to a report made by Miss Mary Stanley, librarian.

This selection of books includes travel, psychology, economics, history, biography and literature besides fiction for adults and young readers. The donations, in many instances, supplied a need unable to be filled by library finances at present.

A partial list follows: Adult novels—Exile by Deeping; Mayfair and Piracy, Arlen; The Great Hunger, Bojer; The Kingdom of Theophilus, and The House of Baltazar, Locke; Needles and Pins; McCarthy; Farthing Hall, Walpole; New Lamps, Eagen; Birthright and Fomondo, Stribling; These Lynnekers, Beresford; The House of Lynch, The Sowers, Roden's Corners, Merriman; and others.

Among those purchased either through the Guild or the Book of the Month Club, or from the library funds:

London Omnibus, American Omnibus, The Store, Stripling; America as Americans see it—edited by Fred Ringel; The House of Exile, Wain; From Day to Day, Goetel; Anthony Adverse, Allen; Peter Abeler, Waddell; and others.

Non-fiction include: Progress and Poverty, George; Merchants of Death, Englebrecht; Living Authors, DilleTante; Life of Rembrandt, Van Loon; Robber Barons, Josephson; Plays, Noel Coward.

A few of the better fiction selections include: Career of Cynthia, Berry; Enchanted Jungle, Lhevinne; Silver Chief, O'Brien; Lovey Mary, Rice; Kirdy, Lamb; Og, Boy of Battle, Crump; My Friend the Dog, Terhune; Anne Alive, Fayerweather; Last of the Thundering Herd, Neal; Big Canoe, Mayol; Lost Indian Magis, Moon; Jane Hope, Gray; Story of Beowulf, Riggs; Katrina and the Silver Rose, Gale; Son of the Sword, Mirza; You Make Your Own Luck, Slingsmaster; Land of the Willows, Ross; Nuvat the Brave, Doone; and many others.

Some others should be mentioned: The Ransome books; Swallowdale; Swallows and Amazons; Peter Duck; Child's history of Art, Hillyer; Story of the Earth and Sky, Washburn; Tales of a Grandmother, Carpenter; Apprentice of Florence, Kyle.

Two Waukegan Beaches to Open

Two Waukegan public bathing beaches will be formally opened tomorrow, according to Alderman James Kirm, with the season lasting until September 7.

Four guards, Robert Holm, Normal Litz, Robert D. Frank and E. Soderman have been selected. Bathing, as in the past several years, will be at the Madison street beach and at the waterworks property.

This summer's season will be opened with the best equipment that the city has had in many years as considerable at the Madison street property was done through co-operation with the Civil Works Administration.

The old waterworks building on Madison street has been completely renovated to provide excellent bath house facilities while the grounds are being landscaped and a large area is being laid as a parking space.

Printing Art

In every piece of job work we do, we employ the latest ideas of the printing art to develop your sales arguments and to emphasize your selling points. It increases your returns materially.

REGULAR CARE REQUIRED FOR BEAUTIFUL HANDS

New Emphasis Placed on Hands by Variety of Color Tones

Hands! The very word conjures a multitude of images—to one it may bring a vision of delicate, slender beauty; to another a prosaic picture of usefulness. Throughout the ages, poets have written odes to lovely hands, ladies have striven to live up to these odes, and working women have endeavored to remove the stains and marks of their labor.

Along with directions for making their favorite jams and cakes, our grandmothers passed on to their about-to-be-married daughters "recipes" for unguents and lotions to keep hands white and smooth. Modern girls, of course, find all these at toiletary counters, much improved. Whether a girl is brought up to live in mansion or cottage, to work in office or schoolroom, she feels that age-old consciousness of hands that is bred in women and admired by men.

Deeper shades of polish are decidedly on the increase, as are the medium shades. The iridescent pink and white tones, worn by such striking blondes as Jeanne Aubert, gleam effectively with pearls for both day and evening wear. With tanned skin, chic women prefer polishes that show an orange cast, coral pink, tomato red or the new mahogany, as distinct from bluish reds and rosy pinks. Because they believe that nails can be trained to beauty, manicuring authorities insist on home hand care.

Too many women, in an effort to economize, have used unlabeled acetone removers put up by some druggists. These may cause the nails to look dry and whitish. The new "oil polish remover" will cleanse the nail surface without making it ridged or dull.

It is well to check up occasionally on manicuring habits. (1) Always use polish remover, not polish itself, to take off old polish. (2) Cleanse tips with cotton wrapped orange stick dipped in cuticle remover. (3) With freshly wrapped orange stick, work cuticle back gently at base and sides of nail. (4) File nails to shape. (5) Put a touch of cream nail bleach under the nail tip, or use a nail white pencil. (6) Brush nails with soapy water. (7) Smooth off rough edges with fine side of emery board. (8) Apply liquid polish with even strokes, from moon to tip. (9) Wipe polish from tip with a bit of cleansing tissue and let polish dry. (10) Apply cuticle oil or cuticle cream around nail, massaging skin firmly.

In fine manicuring salons they always massage hands with a softening lotion after the manicure. Do this at home, and always use such a lotion after immersing hands in water. The fastidious woman also keeps a non-greasy hand cream to use at least once a day.

Here are some important don'ts about hand care: (1) Never have cuticle around nail cut closely. (2) Never file nails deep down at sides. (3) Don't scrape under sensitive nail tip with a steel instrument. (4)

Just a Father

Never said much, but just plugged along Day after day; never envied the throng Of wealthier men who passed him by In their costly cars, with their heads held high; Worked every day, and worked hard, too, Always, somehow, he found something to do, Whether at home or down at the mill, He worked all the time with a tireless will; And once in a while, with a smile, he'd allow He was "one jump ahead of the sheriff now."

Children grew up, and went their ways, But they never forgot their childhood days; Never forgot the old home there In the quiet street, off the village square; Often remembered, with unashamed tears, The love of those precious childhood years, And always found time to keep in touch With the dear old home that they loved so much, The home that throughout their lives would be A lesson in finest nobility.

Never said much, when the letters came, But the old man prized them just the same; And "Ma," he would say, every now and then, "Just read that last letter over again." And as she would read, his face would gleam A little less tired, and his eyes would gleam With a certain light, that one could tell Was because the children were doing so well. Just an average father, a stranger to fame, Who never said much, but just played the game!

Antioch Judging Teams Compete in State Contest

After several months of intensive training in the art of judging livestock and other farm products, the five teams from the Vocational Agriculture Department of the Antioch Township High School left Thursday for the University of Illinois at Urbana to compete with some 200 other schools in the Annual Judging Contest.

The Livestock Judging team, which won championship honors in the Sectional contest, is represented by Glenn and Willis Griffin and Harry Hallways. They will judge sheep, swine, horses, and beef cattle.

The Dairy team members are Howard Wells, Howard Bonner, and Kenneth Hills.

The Poultry judges are Ward Wilton and Edward Paaske.

The Grain team is represented by Paul and James Nielsen, while Frank Verkest and Vincent Paddock make up the Corn judging team.

The boys were accompanied by Mr. and Mrs. C. L. Kuttel and daughter, June Ann.

Mr. Kuttel will attend the Annual Convention of the Illinois Association of Vocational Agriculture Teachers which is to be held at the University next week.

You can sell it with a classified ad in the News.

Don't apply cuticle oil or cream before using liquid polish. Even a tiny residue of oil will cause the best polish to peel and crack. (5) Don't hold your hands in hot water more than necessary. After very grimy tasks, use a good abrasive soap and plenty of hand lotion.
